

Shop 3301

Degreaser/Cleaner

A black circular icon with the words "Data Sheet" in white, bold, sans-serif font.

Suggested Uses

A phosphate free blend of builders and surfactants, which gives this water soluble product superior grease cutting action.

Safe to use, non-flammable, non-caustic and free rinsing. Water soluble for degreasing and cleaning any automotive or industrial grease and oil collecting surfaces.

Powerful, yet safe, Shop 3301 quickly penetrates and emulsifies grease, oil, dirt, carbon, tar and soapy scum on engines, floors and industrial surfaces.

Safe and effective concrete cleaner for garages, factories, industrial shops and warehouses.

Application

Heavy duty degreasing: Dilute with 1 - 4 parts water, spray or wipe on. Rinse clean.

General cleaning: Dilute with 10 parts water, spray or wipe on. Rinse clean.

Shop 3301 is available in 4 litre, 20 litre, 205 litre containers.
